A Digital Threshold Into What Makes Your School Great!

Why trust SchoolInfo with your school or district's website build?

- Ease of use for administrators
- Consistent messages across all communication channels
- One single-content management system (CMS) to manage all digital communication needs
- Easy-to-use drag and drop templates
- Clean, modern website design

Your school or district's website is a crucial component when it comes to communicating with students and families.

Generally, it is the first thing they might see when considering enrollment. It also serves as an informational hub that contains calendars, important documents, and much more. These days, it's essential that a website leaves a lasting impression on its visitors.

That's where a website by SchoolInfo comes in.

Keep your students and families in the know in style with a modern and intuitive layout. For the first time, your website could be just as fashionable as it is functional. Additionally, using the same content management system as the branded mobile apps we build for our clients, you can ensure your brand is covered across all platforms.

The Facts:

Did you know it only takes someone about 0.05 seconds to form their opinion on how your website looks?

Your school's website is often the first place potential students, parents, and teachers will encounter the essence of your campus.

SchoolInfo delivers a design that looks good not only on desktops, but also on phones, tablets, laptops, you name it!

So this is the best opportunity to show what makes your school great!

Some other things you can expect from a website by SchoolInfo:

- Simple and easy to use navigation
 - Intuitive user experience
- Consistent branding for your school or district
 - Breathtaking design and imagery
- Responsiveness on many different devices
- ADA compliancy - your website will be accessible by everyone
